Rotary Club Hears Talks By Students

Speakers at the Greencastle Rotary luncheon meeting this week were high school students interested in science and who had attended a science session at some college last summer.

They were Miss Jean Farber, DePauw University, Frank Hirt, DePauw University, Jonathan Sinclair, Kentucky State College and Tom Troyer, Western Michigan University.

These students gave interesting

talks on their experiences, including a "look" into the sciences, plus the experience of regular college faculty and classes and an indoctrination of future expectancy in college life.

Guests included the fathers of the speakers, Dean Robert Farber, Jake Hirt III, Wayne Sinclair and Merle Troyer. Other guests were James Cahoon and Lou Senter.

Dr. Lawrence Jones became a new member of Rotary. Dr. John Nanovsky officiated in the installing.

Kremlin Gets Czech Support

MOSCOW UPI—Communist Czechoslovakia today threw its support to the Kremlin's new leaders in the Soviet Union's running feud with Red China. Czech President Antonin Novotny left for Prague at the conclusion of a four-day visit to Moscow.

Czech sources said an official announcement of support would be contained in a joint communique expected later today.

Novotny for years was one of the closest allies in Europe of former Premier Nikita S. Khrushchev, whose doctrine of "peaceful coexistence" with the West was one of the basic causes of the Sino-Soviet ideological dispute.

Khrushchev was ousted from power last October but Leonid I. Brezhnev, new chief of the Russian Communist party, has reaffirmed peaceful coexistence.

Novotny also was a staunch backer of Khrushchev's plans for a meeting of 26 of the world's Communist parties on Dec. 15 to prepare for a showdown with Red China.

Wintry Weather Has No Favorites

By United Press International

Wintry weather played no favorites today. All of the 48 continental United States waged a ground battle against snow, rain, tornadoes, sleet and sub-zero temperatures.

Tornado warnings were up Thursday night for sections of Texas, Louisiana and Arkansas. Twisters touched down near Houston, Tex., and Jonesboro, La.

Heavy snow moved into eastern Kansas, Missouri, northwest Arkansas and southeast Iowa, Illinois, Indiana and Lower Michigan.

Vets Will Hold Annual Dinner

Members of Gen. Jesse M. Lee Post 1550 Veterans of Foreign Wars will hold their annual Pearl Harbor Day dinner at the Post Home at 6:30 p.m. Monday.

The overseas vets have remembered the Japanese sneak attack on Pearl Harbor, Dec. 7, 1941, with a special program each year since the end of World War II.

Art Fellwock, of Evansville, a Past Indiana Department Commander, will be the speaker Monday evening.

Movies of this year's 500-mile race at the Indianapolis Speedway and other sports pictures will be shown.

The turkey dinner, with all the trimmings, will be prepared and served by the Ladies of the VFW Auxiliary.

Role Of Beauty May Be Explained

WASHINGTON UPI—The mystery role of a German beauty in the Bobby Baker case—often hinted at but never explained—may be revealed today during testimony before the Senate Rules Committee.

The panel called Paul Aguirre, a Puerto Rican real estate promoter, to question him about alleged interests he and Baker may have had in gambling, housing and other enterprises in the Caribbean area.

Republican members of the committee have named Aguirre as the person who may be able to tell "what part Ellen Rometsch, or other individuals, had in the promotion of Baker's financial interests or dealings with government officials, government contractors and others."

Committee council Lennox P. McLendon said they hoped to conclude today the latest phase of the Senate's investigation into the outside business activities of the former secretary to Senate Democrats. The hearings were resumed this week to look into charges that Baker was the intermediary in a scheme to siphon off \$25,000 from the District of Columbia Stadium contract to the 1960 Kennedy-Johnson campaign fund.

Russ Talks Are Not So Militant

NEW YORK UPI—The more militant tone Russia has adopted in public statements about American policy is not reflected in private talks here between the top diplomats of the two countries.

While Moscow talks tougher Soviet Foreign Minister Andrei Gromyko continues to follow closely the previously established "peaceful co-existence" line.

U.S. officials said today Secretary of State Dean Rusk, in the course of two long talks this week with Gromyko, has found him to be emphasizing heavily the need to negotiate further agreements to ease East-West tensions. He has shown no inclination to rock the boat or inflame the atmosphere in any way.

Rusk and Gromyko have scheduled another meeting for Saturday afternoon. They are expected to devote all their attention to disarmament and other major East-West issues. Thursday they agreed to let U.N. Secretary General Thant and a committee of ambassadors solve the problem of Russia's voting rights in the assembly, in dispute because of her failure to pay overdue debts.

Traffic Toll 1,272

By United Press International

An Ohio truck driver was killed Thursday when three tractor-trailers piled up on U.S. 41 near Earl Park, raising Indiana's 1964 highway toll to at least 1,272.

The toll on this date last year was 1,209.

Police said Glen Kiger, 52, Lancaster, Ohio, was killed when his truck slammed into the rear of two others which had stopped because of an accident ahead of them.

Fire trucks and state highway crews washed down the mess but not until many cars had skidded on the slippery surface and many others were damaged by splashing paint.

Verlin Nutt, 28, Louisville, driver of the truck, was injured. He said another truck forced him and cut in too quickly, forcing him off the road onto a soft shoulder.

Found Guilty In Murder Case

SHELBYVILLE UPI—A Shelby Circuit Court jury early today found former Columbus basketball star Jerry Butler, 25, guilty of second-degree murder in the fatal shooting last April 5 of Frank Tyler, 36.

The jury of 8 men and 4 women deliberated about 9 hours before returning the verdict shortly after midnight. The verdict carries a life sentence.

Judge Harold Barger ordered a pre-sentence investigation and set formal sentencing for Dec. 18.

Butler, who first appeared shocked by the verdict, later seemed to be resigned to it. He had maintained the fatal shooting was an accident.

INDIANAPOLIS UPI—Indiana's "51st senator" was briefed along with other freshmen lawmakers and took the jibes over his unusual situation with good humor.

'Nice Guy' Kills Six, Then Self

DETROIT UPI—A "nice guy" who flared with anger because his wife was leaving him, Thursday killed her, their four children, and his wife's girl friend, then snuffed out his own life with a bullet in the head.

James D. Burgan, 28-year-old factory worker, shot each of his victims once in the head with a 22 caliber rifle bullet at the modest, two-story brick home the Burgans bought less than six months ago.

Those killed were Mrs. Joyce Marie Burgan, 23, her two children by a former marriage, Roger Hill, 7, and Kathy Hill, 5, the couple's two younger children, Linda, 2, and Robert, 7 months, and Mrs. Billie Gene Nolan, 22, a friend of Mrs. Burgan.

73-Foot Tree

WASHINGTON UPI—The nation's Christmas tree—a 72-foot evergreen from Chester town, N.Y.—was set up Thursday on the ellipse, a small park between the White House and the Washington Monument. The tree will be lighted by President Johnson Dec. 20.

Two Men Jailed

Two Lafayette men were lodged in the Putnam County Jail Thursday afternoon by Deputy Sheriff Paul Mason.

James R. Richey, 28, and Dudley Daugherty, 31, are both charged with theft by deception.

They are specifically charged with giving a bad check to William Norris, who signed the affidavit against them.

Warts Removed

WASHINGTON UPI—Those two "little old warts" doctors removed from President Johnson's hand may be a legacy from his boyhood days in sun-baked east Texas.

Johnson watched Thursday while the growths were removed with an electrical surgical needle from the back of his right hand in a 20-minute operation in his White House bedroom.

"It was nothing," the President told newsmen later. "It's something that's done every day. I've had dozens of them."

Fast Passenger Train Wrecked

VALDOSTA, Ga. UPI—The State Highway Patrol said it had a report that a fast passenger train has been involved in an accident near Wilcox, Ga., and that ambulances had been dispatched to the scene.

The Highway Patrol offices here said it understood it was an Atlantic Coast Line train.

The Highway Patrol office at Tipton said ambulances had been dispatched from Douglas, Tifton and other towns in south Georgia.

Authorities located the scene of the wreck just west of Wilcox, Ga., about 90 miles northwest of Jacksonville, Fla.

3 Union Men Held In Blast

INDIANAPOLIS UPI—Three Teamsters Union members were held today in connection with two recent dynamite explosions at the warehouse of the strikebound Harp-J. Ransburg Co.

A Marion County grand jury indicted the three on charges of conspiracy to commit a felony. Robert Baker, 24, Carl Dowling, 32, and Ronnie Woodward, 19, all of Indianapolis, were arrested late Thursday and held under \$7,500 bond each.

Explosions Oct. 13 and Nov. 4 rocked the Ransburg firm's warehouse in southwestern Marion County and the second caused an estimated \$3,000 in damage.

The strike began last June in a dispute over recognition of Teamster Local 135 by the company. The strikers were replaced by new workers.

10 Local Residents In Choral Debut Sunday

Ten Greencastle residents will appear with the debuting DePauw University Choral Union Sunday when it sings Mozart's "Coronation Mass" in a joint concert with the University's chapel choir.

The combined choirs, composed of 100 voices, will be under direction of Joseph R. Flummerfelt in the 8:15 p.m. public performance in Gobin Methodist Church.

Soloists for the work will be Professor Thomas Fitzpatrick, tenor; Miss Jackie Vincent, soprano; Miss Vicki Cassell, alto; and Charles Beard, baritone. Miss Gwen Gould will be the organ accompanist.

A new venture in college and community musical teamwork, the Choral Union, formed this fall by Flummerfelt, director of university choirs, will include the following local residents: Mrs. Clara Porter, Perry Rush, Mrs. Jean Cox, Mrs. Mary Foxen, Mrs. Patricia Johnson, Mrs. Peggy Morrow,

WASHINGTON UPI—President Johnson, pledging himself to a policy of "the fist and the open mind," said today he plans to continue his campaign of "holding total spending to the rock bottom."

In remarks prepared for a ceremony honoring 30 government employees cited for cost-cutting suggestions, Johnson said that "an unmistakable sign of integrity in government is a sense of responsibility to the taxpayers."

"I have said that I believe in the tight fist and the open mind—a tight fist with money and an open mind to the needs of America."

"I want that same state of mind to prevail in every department and every bureau of this government," he said.

Cabinet members, agency heads and a cross-section of government administrators were invited to the ceremonies, marking the 10th year of awards under the Incentive Awards Act. A million government workers have been credited with making suggestions that saved more than \$1 billion over the period.

The White House said this year's winners accounted for an estimated savings of \$85 million during the first year their suggestions were effective.

The individual ideas ranged from a \$40 million saving from a manpower survey made by an Air Force contract administrator to a laundry supervisor who suggested that use of percale instead of muslin sheets at veterans hospitals would save 2 cents per laundering.

The supervisor, Mrs. Ruth Shuttles of Tuscaloosa, Ala., was credited with saving the government a total of \$63,410 a year.

Recalling his promise of a year ago to "root out waste and inefficiency wherever we find it," Johnson said he believed the administration had made good on the pledge.

But, he added, continued effort is needed at every level of government.

"Controlling waste is like bailing a boat—you have to keep at it," he said.

Hoosiers See Chicago Sights While at National Congress

Five educational and fun-filled days were spent in Chicago by three of the Hoosier delegates to the 43rd National 4-H Club Congress. They were among more than 1,500 cited by the Cooperative Extension Service for 4-H achievements. Back home in Indiana were Blair Stephenson, 17, of Rushville; Delbert Kramer, 18, of Rushville; and Barbara Chiles, 17, of Orland.

Dairy Champ
Stephenson, the son of Mr. and Mrs. Melvin Stephenson, excelled statewide in the dairy category and was the guest of the Oliver Corporation. While in Chicago he had an opportunity to visit the International Live Stock and Dairy Show and to meet other state dairy award winners at a dinner Monday, Nov. 30, hosted by their sponsor.
A 4-H member for eight years, Stephenson has had 16 projects in dairy. He won six county dairy awards, one senior award in showmanship and displayed one grand champion Holstein heifer.
Kramer, the son of Mr. and Mrs. William J. Kramer, spent the five days in the nation's second largest city, Chicago, and at the world's largest hotel, the Conrad Hilton, as a guest of the Firestone Tire & Rubber Company. His state-winning program was automotive.
Eracts Safety Signs
The eight year 4-H member has worked 21 project lessons in automotive and has helped increase automotive safety by cutting tall corn at crossroads corners and by erecting proper and necessary warning signs. Kramer, a junior leader, won a first place in a county demonstration. He hopes to be both a farmer and a teacher.
Miss Chiles, the daughter of Mrs. Michael Collins, says she has saved her family more than \$1,300 in home decorating costs since joining 4-H seven years ago. The S & H Foundation,

sponsor of the home improvement program in which Miss Chiles was the Indiana winner, also was host for a breakfast for all leaders and state winners in that program, Wednesday morning, Dec. 2.

Miss Chiles, blue ribbon winner this year in the home furnishings demonstration, also took top honors in the county and district contests. She reports she has completed over 300 activities in projects at home including over 100 articles constructed, improved or repaired.

Receives Youngst Watch
A fourth youngster didn't get to Chicago but he received an engraved wrist watch as his award for being state dog care and training champion. Rex Wear, 17, son of Mr. and Mrs. Luther G. Wear of LaGrange, received his prize from the Ralston Purina Company.

Wear has had five dogs during his eight 4-H years. His Colies have won various obedience and grooming awards. In 1963 he had the grand champion in the county obedience and grooming trials. This year, while Wear was in Mexico as a foreign exchange student, a friend showed Wear's dog which won in grooming and conformation.

will be Mrs. Maybelle Rice. There will be special music. The program will be "There is No Time Like Christmas."

For the Xmas exchange bring something you have made yourself. All the women who can are invited to come to the missionary meeting.

When this hand was played some years ago, the late Pierre Albarran displayed his ability to look at a hand through the eyes of his opponents. But first he had to remove the rose-colored glasses that on aggressive bridge player normally wears.

An optimistic declarer would ruff the heart lead and try to draw trumps with the ace and king. He would hope to give up a trump trick to the queen, and East would signal by discarding the queen of diamonds. West would lead a diamond, and East would take his tricks to defeat the contract.

Albarran did not expect trumps to break when the opponents had bid for seven tricks with only 20 points in high cards between the Albarran ruffed the opening heart lead, and blandly returned the ten of spades.

CONQUERS FEAR
West was afraid to play the queen for fear that his partner had the singleton ace of trumps but he finally conquered his fear and took his trump trick. But what next? Fast had been given no chance to signal.

West could defeat the contract by leading a diamond if East had the ace and queen. But a club lead would do the job if East had just the ace of clubs. West thought it was reasonable to hope for the minimum, so he shifted to a club. Clearly, he didn't see the dummy as it actually was; he saw it in the light of his own cards and what he wanted to happen.

This was just what Albarran had expected. The great French expert won the club return, drew trumps and ran his clubs to discard all of dummy's diamonds. It was then easy to ruff a diamond in dummy to assure his contract.

Unity Urged In South Viet Nam

SAIGON, South Viet Nam UPI — South Viet Nam's top generals today urged the nation's political and religious leaders to cease squabbling and unite against the Communist Viet Cong insurgents.

In a communique published by the government news agency, 22 generals and one colonel asked the civilian leaders to end "all petty differences and shatter all plots to show division among the people."

The statement amounted to formal backing of civilian Premier Tran Van Huong, who imposed martial law last week to put down demonstrations by factions which seek a greater

How America Lives
America is making history in the home with imagination, with dash and surrounded by more color than ever before. Biggest news of all is the renewed interest in the master bedroom—for relaxation, for sleeping, and even for eating.

Crackers in bed — no — but a bench at the foot of the bed can serve a multitude of purposes including a midnight or morning snack. A charming dining area, created with a small round table and pull-up chairs, will enhance any bedroom and expand its 'liveability'.

This idea is shown here in a room designed for the Heywood-Wakefield Company of Gardner, Mass. and selected by Family Circle Magazine to be shown to over 11,000,000 Family Circle readers—in color—in the January issue's special feature illustrating twelve How America Can Live rooms.

A handsome example of how

WGRE Forced To Alter Cub-Sullivan Game Broadcast

The scheduled broadcast of the Tiger Cub-Sullivan game by station WGRE has been altered due to the fact that the Sullivan school officials will not allow a play-by-play description.

In order to fill the gap which this has made the WGRE coverage of the score of the game at half time and the final score will be telephoned to WGRE from Sullivan and will be broadcast as soon as it is received.

The final score will also be broadcast on the 10:05 sports news show Friday night. WG-RE will also present an interview with Greencastle coach David McCracken on Saturday night at 7:30 before the broadcast of the Greencastle-Martinsville game. In the interview

Mr. McCracken will talk about the highlights of the Sullivan game.

It is hoped by the WGRE sports staff that both our listeners and those who have given support for the out of town broadcasts will accept our apologies for not being able to present the game from Sullivan. All other scheduled out of town high school basketball broadcasts have already been approved by the host school and will be presented as planned.

Returning from Sullivan, the Tiger Cubs will be host to the Martinsville Artesians Saturday evening.

The 'B' team game will start at 6:30 with the varsity clash scheduled for 8 p. m.

Greencastle Junior High Wins One, Loses One

Greencastle Junior High Basketball teams split a pair of games with the boys from Martinsville. Martinsville took the opener 32 to 21. Greencastle stormed back in the third quarter of the Freshmen contest to finish ahead by 14 points, 48-34.

The game 8th grade team of Greencastle fought the Martinsville boys down the line in the first half only to fall behind in the 3rd and 4th periods. Playing a cautious brand of ball, the Greencastle squad led the first quarter, 9-5. A couple of costly errors by Greencastle put Martinsville in front at the intermission 15 to 13. The young Tigers never regained their poise in the second half. Final score, Martinsville 32, Greencastle 21.

J. New and Norris were the key horses on the back boards. Monnett, See and Frye carried the mail at guard.

The Freshman team now stands 4-0 for the season.

Burns Fatal to Popular Racer

SAN ANTONIO, Tex. UPI — Race driver Bobby Marshman, 28, Pottsville, Pa., died at Brooke Army Medical Center here Thursday of burns suffered six days earlier in a crash at Phoenix, Ariz.

Marshman, 1951 co-rookie of the year in the Indianapolis 500-mile race, had been in critical condition since his rear-engine Lotus-Ford slammed into a wall and burst into flames during a test run at the Phoenix International Raceway.

He was flown to the burn ward at Brooke early Sunday but Army doctors had given his wife, Janet, little hope for his survival. He suffered second and third-degree burns over 85 per cent of his body with the worst burns on his face and head.

WINNER OF FOUR GOLD MEDALS MEETS FIRST LADY—One of the U. S. Olympic medal winners invited to a White House affair, Don Schollander, swimmer from Lake Oswego, Ore., is greeted by the First Lady, Mrs. Lyndon B. Johnson. Schollander won four gold medals in Tokyo.

Tigers Hit The Road To Play Two Upstate Illinois Teams

Buoyed by an unexpected easy win over Earlham, DePauw's Tigers hit the highway this weekend for a pair of basketball matches in upstate Illinois.

Tonight the squad runs into a veteran Wheaton team in the Chicago suburb. Tomorrow it lays over to help Illinois Wesleyan open its home campaign in Bloomington, Ill.

Since Tuesday's 117-69 win the Tigers have spent most of their time reviewing their strategy. Coach Elmer McCall has been emphasizing more steam and finesse on his developing fast break and working on a more clever defense.

Though aggressiveness paid off in the Earlham battle, McCall showed concern for the 30 personal whistles against his team. "These are going to be a lot of games we can't afford 30 fouls. We've got to learn to be just as deceptive defensively but get it done without so many fouls."

The same starting unit that accounted for 26 baskets in 49 shots in the opener will face Wheaton. Included will be Morgan Everson and Sam Barber at forwards, Dick Putt at Center, and Skip Collins and Dan Schermer at the guard.

Spahn, Bragan Exchange Views

MILWAUKEE UPI—Warren Spahn says he doesn't want to get into a "running commentary" with his former manager, but their verbal exchange Thursday indicated neither will miss the other in 1965.

Milwaukee Braves Manager Bobby Bragan told Bob Wolf of the Milwaukee Journal that Spahn, sold last week to the New York Mets, thought only of himself last season when the 356-game winner slumped to a 6-13 log.

"He could have helped us late in the season as a reliever if he hadn't been thinking about that \$80,000 salary of his," said Bragan. "He knows it can't be cut more than 25 per cent under baseball law, so he can bluff his way through next season and still not take a very big salary cut."

"He's not thinking about the team—he's just worried about Warren Spahn — the great Spahnnie."

Spahn reached at his Oklahoma ranch by Lou Chapman of the Milwaukee Sentinel, denied he had ever complained about being sent to the bullpen.

"I told him (Bragan) when we were in Houston that I'd be glad to do anything to help the 'club,' the lefthander said.

Bragan conceded that the 43-year-old Spahn will make the Hall of Fame.

"But let me tell you that if any other pitcher had been shelled the way he was last season, he would have been shipped to Denver," said Bragan. "But this was Warren Spahn and had to be handled with great care, even if he couldn't get anybody out."

Irish Star Gets Heisman Trophy

NEW YORK UPI — John Huarte of Anaheim, Calif., who went to school in South Bend, Ind., was in New York Thursday to receive the Heisman Trophy as college football's outstanding player and also listen to offers to play professional football.

The Notre Dame quarterback led the Irish to a sensational 9-1 season and has yet to gain his first varsity letter for football.

The handsome, six-footer played only five minutes in his sophomore year and just 45 minutes the following season.

Which way Huarte will jump into the pro ranks anybody's guess.

The New York Jets of the American Football League made him their second pick and the Philadelphia Eagles of the National Football League tabbed Huarte in the sixth round. Joe Kuharich, a former Irish mentor, is now the Eagles head coach.

scouted Wheaton in its opening 98-90 loss at Augsburg (Minn.) College. Wheaton, Salmela reported, fielded a near carbon copy of last year's 16-10 squad, including guard John Pfund, a 20-point shooter.

DePauw won last year's battle here with the Crusaders, a

96-90 chiller that evened the all-time series at 4-4. An added incentive in tonight's game will be a travelling trophy that will circulate among Wheaton, DePauw, Valparaiso, St. Joseph's and Wabash.

Illinois Wesleyan, co champion of its conference in 1963-64,

is unscouted by DePauw. The Titans were forced by inclement weather to postpone their opener Wednesday at MacMurray.

Wesleyan had a 12-10 season last year but lost to DePauw 71-69.

Season Is Underway For Greencastle High Wrestlers

The 1964-65 Greencastle wrestling team opened their season against Terre Haute Schulte. The evening proved to be a hectic and exciting affair for all who attended. Runner Against Passer Sunday

By United Press International

It'll be Jimmy Brown against Charlie Johnson—the runner against the passer—Sunday when the Cleveland Browns seek to wrap up their first Eastern Division National Football League title since 1957 by tying or beating the St. Louis Cardinals.

The Browns are favored by three points although the Cardinals are at home.

Both teams have other offensive agents, of course, but the pre-game battle lines feature the peerless runner against the best of the NFL's young passers. With 1,288 yards gained on the ground this season, Brown is en route to his seventh rushing title.

G-R-R-R-R!

Looking fierce are Tom Scholl and Jim Rolls of Greencastle's wrestling team after they made quick work of their opponents by pinning them in Tuesday evening's action at the Greencastle gymnasium. According to reports the Cubs lost the contest, but after tallies were recounted it seems as though Schulte had a man who had been disqualified, making the Cubs victorious, 22-21.

County Teams See Action

Action slated for this week-end promises to produce some hot spots around the county. Included in the schedule for Friday are Fillmore at Roachdale where the Cardinals will try for their second win of what was to be a missing season.

Cloverdale travels to Reelsville where they will place their 5-1 record up on an Indian bid. Also slated to see action will be surprisingly strong Russellville who will play host to North Salem.

Jumping out of the County Greencastle will travel to Sullivan where Coach McCracken hopes to secure his second victory of the hardwood season before taking on Martinsville at home Saturday night.

A couple of other teams scheduled to duel Saturday are Fillmore who intends to travel to Van Buren for a victory and Russellville who hopes to make their host Bainbridge, bow in defeat.

Russia VS. The Canadians

MONTREAL UPI—Russia vs. the Montreal Canadiens in the Stanley Cup finals?

"It's entirely possible," said Clarence Campbell, president of the National Hockey League, generally considered THE most powerful hockey league in the world.

"They're not ready yet," he went on, "but if the Russians eventually reach the stage that justifies their challenging for the Stanley Cup, then they'll be accommodated."

Leading Candidate

HOUSTON, Tex. UPI — John Jack Kelley of Philadelphia, former Olympic rowing champion and brother of Monaco's Princess Grace Rainier, was the leading candidate today to succeed Jay-Ehret Mahoney as president of the Amateur Athletic Union.

Clifford Buck of Denver was another possibility although the younger Kelley appeared to have the stronger chance for the post which the AAU delegates will vote on this week-end.

Article 19 provides that member nations more than two years behind in their assessments shall lose their assembly vote.

The current U. N. crisis revolves about the insistence of the United States that Russia part of its \$52.6 million in arrears. There were indications that
